# Client Portal Guide

New to the Client Portal? Find what you need with our quick guide. Click the headers below for more information:

	<p><a href="#"><b>Dashboard</b></a> Getting started in your client portal can feel a bit overwhelming! Understanding your portal <b>Dashboard</b> is a great place to begin for an overview of your account.</p>
	<p><a href="#"><b>My Profile</b></a> Managing and accessing important details, such as contacts, reminders, saved credit cards, and login credentials are found within <b>My Profile</b>.</p>
	<p><a href="#"><b>Docs &amp; Forms</b></a> Accessing, completing, and viewing documents and forms from your client portal is simple from within <b>My Docs &amp; Forms</b>.</p>
	<p><a href="#"><b>Appointments</b></a> Clients can self-schedule appointments from the <b>My Appointments</b> area of the system, as well as see any upcoming appointments on the schedule for them.</p>
	<p><a href="#"><b>Messages</b></a> Your portal inbox messages and attachments to providers and staff are both accessed and managed within <b>My Messages</b>.</p>
	<p><a href="#"><b>My Account (Billing)</b></a> Access accounting &amp; billing related information like balance details, payment history, and statements all within <b>My Account</b>.</p>
	<p><a href="#"><b>Insurance</b></a> Review and manage insurance details or changes: including insurance information as well as private pay under <b>My Insurance</b>.</p>
